WONDER   **INVESTIGATE**   **SYNTHESIZE**   **EXPRESS**   **REFLECT**

WONDER...

What's the big idea?
What are my questions? (think)
Are my questions good? (rethink)
What do I already know?
What do I want/need to know?
Why am I doing this? (purpose)

...INVESTIGATE

Find:
Where am I going to get information? (search strategy)
What are my search words? (keywords)
Where will I look? (resources)
Think & Review:
How will I know it's a good resource? (valid credible)
How do the facts fit together? (group)
Are the questions answered?
Do I need more information?
Necessary details?

SYNTHESIZE...

What conclusions can I draw?
How will I organize my ideas? (group)
Am I ready to create?
How can I share what I know?
(communicate, express)

...EXPRESS

Who would benefit from hearing this? (audience)
Who would I like to share this with? (audience)
Do I know where my information came from? (resource)
What did I learn?
What did I enjoy?
Am I proud of what I did?
Do I have new questions?

REFLECT...

What new understanding did I develop about the topic or idea?
What might I do differently next time to improve my product?
How can I use the feedback on my final product for my next project?
