## **THE MISSION STATEMENT OF THE CHAPPAQUA SCHOOLS**

**The mission of the Chappaqua Schools is to create a community for learning, where students, parents and staff are joined in the pursuit of academic excellence and personal growth in a caring environment.**

**We seek to develop each student's full potential through a challenging curriculum, a diversified faculty and a commitment to intellectual freedom. We will teach basic skills, foster creative and critical thinking and provide a foundation for life-long learning. We will nourish our students' emotional lives and guide their social development, instilling in them an appreciation of self-worth, of individual difference and of global interdependence. We will help them learn how to manage freedom and to act ethically so that each may become a responsible, contributing member of society.**

April 2019

Dear Chappaqua School Community,

The Chappaqua Central School District is known for its rigorous curriculum in core subjects, its wide-range of Advanced Placement and elective course offerings, and its belief that extra-curricular activities and athletics play a key role in the education of the whole student. In order to maintain and extend Chappaqua's record of success, we have embarked on a Strategic Coherence Planning process. This extensive review will assist us in aligning and focusing the systems that define Chappaqua's schools with the reliable acquisition of the identified critical student skills and attributes that we believe are most critical to success beyond Greeley.

The primary District Strategic Priorities that drove this year's budgeting process included:

- Using Instructional Space to Amplify Learning
- Revisioning of District-wide Assessment Practices
- K-12 Social Emotional Learning Curriculum Adoption and Alignment
- K-12 Academic Program Curriculum Alignment
- Instructional Technology as a Tool to Personalize Learning

The proposed budget for the 2019-2020 school year is \$126,152,188. This represents a \$3,592,200, or 2.93%, increase over the current budget. However, the tax levy increase is only 0.94%, which is below the District's allowable tax cap of 3.19%.

**Highlights of the 2019-20 Proposed Budget include:**

- ✓ Responding to the Board of Education's two Strategic Questions & the District's Strategic Coherence Plan.
- ✓ Ensuring students are physically, socially and emotionally safe.
- ✓ Increasing opportunities for Greeley students in the area of scientific research.
- ✓ Increasing faculty leadership to support both the science research program and the new STEAM center at the high school.
- ✓ Addressing a rising English as a New Language (ENL) population by increasing staff to deliver services as required under NYS regulations.
- ✓ Providing additional clerical staff to support both the athletic department and community facilities use.
- ✓ Maintaining a budget below the tax cap to ensure community members are eligible for the STAR property tax rebate.
- ✓ Redesigning outdated facilities without impacting the tax levy.

Through careful planning, we believe we have prepared a budget that expands our programs and at the same time addresses key areas of our teaching and learning vision and goals in a fiscally prudent manner. With 77% of the proposed budget going toward instruction, the expenditure portion of the budget is specifically targeted to provide students and staff the resources and infrastructure needed to support innovative teaching and learning, collaboration, creativity, and the use of evolving technologies to ensure that every student receives a complete and comprehensive K-12 educational experience.

Sincerely,

**Salaries:** This represents the largest single category in the budget. Included are salaries of all classroom teachers, K-12, as well as for substitutes and teacher aides.

**Sick/Vacation Conversion Retirement:** This category contains vacation accruals and early retirement notification stipends, as well as sick leave conversion for retiring staff. Beginning with the 2012-13 budget, District no longer budgets for this line. Instead, funds will be withdrawn from Employee Benefit Accrued Liability Reserve.

**Curriculum Studies:** The cost of in-service workshops, consultants and materials related to the articulation and integration of the K-12 curriculum.

**Home/Hospital Tutoring:** Tutoring costs for non-special education students have been included in this area.

**E/S/L:** This program, presently in the district's six schools, is under the direction of an E/S/L coordinator. Students, after screening and identification, are provided with services by the coordinator and staff.

**Sick Leave Substitute Long Term Replacement:** Teachers involved in extended or disabling illnesses who have exhausted their sick leave time may draw from this negotiated sick bank.

**Equipment:** This category includes classroom furniture, science equipment, and other instructional equipment.

**Reproduction Services:** Multi-year leasing of copiers.

**Materials & Supplies:** The cost of all instructional supplies used during the school year.

**Textbooks:** This category includes the cost of all new and replacement books used by the students.

**Other Expenses:** Includes cost of film rental, bookbinding, equipment repair, postage, postage meter leasing, printing, and conferences relating to the instructional program.

**BOCES Services:** The amount paid to the Board of Cooperative Educational Services in this portion of the budget includes outdoor education, Walkabout, educational communication services and computer repair services. State Aid for BOCES services is received annually and is part of the District's revenue projection.

**EXPLANATORY NOTES: SPECIAL EDUCATION**

By law, each district must have a Committee on Special Education. The Committee is responsible for identification, evaluation and placement of designated children with special needs. Chappaqua seeks out the most appropriate programs in district schools or, when district programs cannot accommodate them, in Board of Cooperative Educational Services (BOCES) programs or other public or private schools. This category includes salaries of special education teachers, speech teachers, occupational therapists, physical therapists, teaching assistants and office staff.

BOCES Services: Services provided by both Putnam/Northern Westchester and Southern Westchester BOCES include counseling and psychiatric therapy, speech and language therapy, therapy for the deaf, therapeutic support and other services on an as needed basis. Project Aim, Learning Center options and alternative high school are also available. BOCES also provides support for LEAP reporting, testing, multicultural evaluations and staff development.
